How to start a Colab session

Step 1. Sign into your Google account.
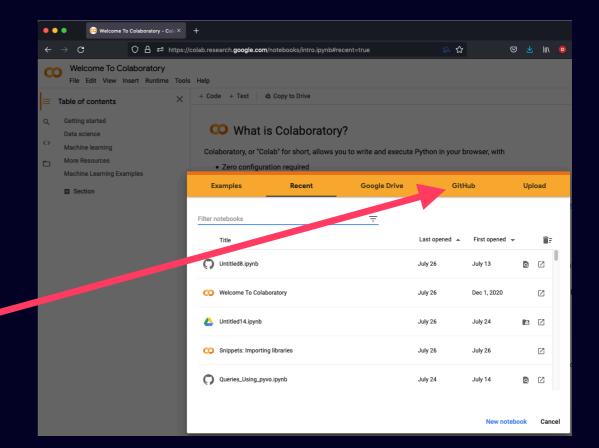

Step 2. Navigate to https://colab.research.google.com.
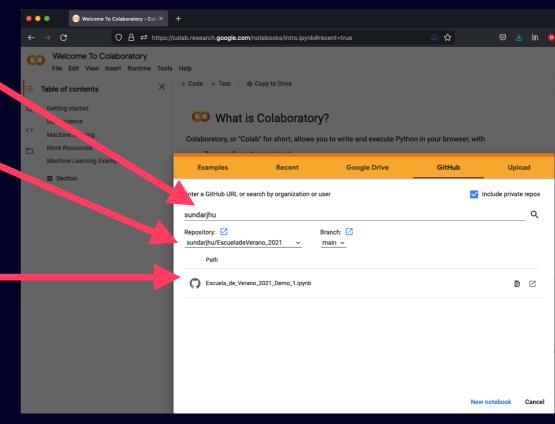

Step 3. In the menu that pops up, select the "Github" tab.

Step 4. Enter my Github user name (`sundarjhu`) and hit Enter.

Step 5. From the "Repository" drop-down menu, select the "EscueladeVerano_2021" repository.

Step 6. The tab now displays a list of available notebooks (.ipynb). Select one.
